Kensington needs you!

As a resident of Kensington you will appreciate what a special place it is.

Great open space, amazing public transport access, protected amenity and a strong sense of community spirit are some of the reasons we choose to live here. However, these outcomes do not occur by chance. For over 30 years the Kensington Association, a volunteer not for profit body, has worked tirelessly to protect and facilitate everything we love about our suburb.

The Kensington Association needs your help.

In order to continue our efforts to improve Kensington we need to raise funds which will be applied to a range of community outcomes including responses to controversial planning and development applications and negotiating with the Metro Rail Tunnel, and liaising with council and government to protect and improve open space and community infrastructure.

All of Kensington continues to benefit from the efforts of a succession of dedicated local volunteers and supporters of the Kensington Association.

Everyone in Kensington will benefit from the fundraising efforts we are now undertaking.

**If protecting what you love about Kensington is important to you,
